

## Why TINZ?

New Zealand faces increased exposure to corruption and bribery as we grow business and trade with countries where corruption is more common.

In a recent survey 65% of New Zealanders feel corruption is increasing; and 81% agree that ordinary people can make a difference in the fight against corruption. (See the graph to the right.)

TINZ is leading the way. **Join TINZ. Demonstrate your commitment to integrity and a high trust New Zealand.**

TO WHAT EXTENT DO YOU AGREE THAT ORDINARY PEOPLE CAN MAKE A DIFFERENCE IN THE FIGHT AGAINST CORRUPTION?
